2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Principal's Message

Welcome to Millview Elementary School. Millview Elementary School is focused on providing students with the best learning opportunities possible in an environment of cultural sensitivity that nurtures individual growth for all students. The entire Millview staff believes that all students deserve a safe educational experience as well the opportunity to be challenged and motivated to reach their maximum academic potential. Reading and mathematics are the primary focus at Millview Elementary. Classroom teachers dedicate substantial time specifically set aside for differentiated small group literacy development, as well as language arts and math intervention. Teachers meet weekly in Professional Learning Communities to discuss current student data and use best practices to create responsive common lessons of rigor, enrichment, and interventions that address the common core standards.

The Millview teachers and staff also continue to address the needs of our English learners by welcoming the principles of the English Learner Roadmap. Millview focuses on embracing the languages and cultures of our students and their families, build partnerships with families, and respond to our EL student's academic and socio-emotional needs. Through the four Inter-related EL Principles, the Millview Mission, Vision, and school culture are richly supported. The four EL Principles assist in assuring that Millview is assets-oriented and needs-responsive, provide an intellectual quality of instruction and meaningful access, system conditions support effectiveness, and alignment and articulation are within and across the system. Daily the Millview students are provided with focused designated instruction during the English Language Development (ELD) instructional period. Throughout the day, our classroom teachers use the four English Learner Principles and integrated ELD instruction to provide greater access to all areas of the curriculum and foster English language acquisition skills at the highest levels.

2023-24 School Description and Mission Statement

During this current year, Millview administration and the Millview teaching staff are focused on implementing Millview's Strategic Action Plan (SAP). This Strategic Action Plan is focused on reading and math improvement for all students by using a growth model. As we work together implementing this plan, we focus on rigor, relevance, and student engagement. Individual Student Goal Setting using student reading and math scores on the NWEA provided by MUSD's Me 2 Be report, assist 3rd through 6th grade students an understanding of their individual growth that is needed to be grade level ready or higher. The school wide goal for reading is 65% of students will reach their BEST growth goal on the NWEA Reading assessment by Spring 2024 and 66% of students will reach their BEST Growth goal by Spring 2024.

The Millview staff continues to embrace and support enriching learning opportunities. Every student, each week, experiences art, music, physical education, STEM, and dramatic literacy enrichment. Each of these classes are 50 minute blocks. These new experiences have provided our students opportunities by engaging and participating in creative and innovative. As students are attending these classes, teachers meet by grade level to lesson plan and participate in a weekly 100 minute PLC meeting.

Our school is known for its longstanding, comprehensive Response to Intervention program. Our COST (Coordination of Services Team) and SST (Student Success Team) meet twice a month and are comprised of administrators, the intervention/Rtl teacher, classroom teacher, and other support staff. Parents are also included in the SST process. Our tier 3 students receive services in our intervention lab and/or in their classes, and classroom teachers provide targeted instruction to our Tier 2 students in English Language Arts and Math during the instructional day. Millview students in grades K through 6 are monitored for growth multiple times a year through comprehensive computer-based assessments in reading and math.

Mission Statement

MILLVIEW MISSION STATEMENT

The Millview staff is committed to creating a strong learning community to equip all students with the skills and mindset to thrive and reach their highest potential.

MILLVIEW VISION STATEMENT

The Millview community of staff and students strive to be kind, enthusiastic about learning, feel safe and welcomed.

School Profile (School Year 2022-2023)

Millview Elementary is one of 28 elementary/middle/comprehensive/alternative high schools in Madera Unified School District. During the 2022-23 school year, 600 TK-6th grade students were enrolled at the school, with classes arranged on a traditional calendar.

Millview's student population is 97% Hispanic, and 49.7% (298) of students are limited English learners. However, the high majority of Millview students enter Kindergarten as language learners, and most are reclassified as fluent English proficient (RFEP) during their years at Millview. Only 8-10% of students at Millview enroll as English Only speakers. Millview teachers are trained to teach culturally diverse populations. ELD (English Language Development) is taught to our English learners for an average of 45 minutes a day. Students are grouped by their language acquisition levels so that designated instruction can be targeted towards their specific areas of need. The emphasis is on oral language, vocabulary, listening, reading, and writing. Millview provides informal assessments for our English Language Learners. Teachers evaluate the results of these tests which help teachers determine what skills need to be taught or reviewed.

In addition to rigorous quality instruction, we provide students and parents with access to activities and programs, as well as student-friendly web-based software, to assist and challenge them in the areas of reading, language arts, math, science, social studies, technology, and the arts. These types of hands-on activities allow our students to practice higher-order thinking skills while participating in a true "learning-by-doing" environment.

Millview has been fortunate to be chosen to receive a Literacy Coach Reading Specialist (LCRS) teacher. This is a grant funded teaching position that works with Kindergarten through third grade teachers focusing on increasing effective literacy instruction to meet the literacy and comprehension needs of primary grade students. The LCRS teacher leads a literacy team that meets monthly. The team is comprised of one teacher from each grade level (Kindergarten - third grade), school administrators, and Millview's Response to Intervention teacher for reading. The rationale, purpose, and vision state that, Millview students are experiencing challenges in reading proficiency. Teachers will utilize data analysis to target instruction, apply researched based instructional practices, to ensure students are capable of using strategies necessary to reach proficiency of grade level text.

Millview is fully vested in educating our students with special needs. These students are always in the general education classroom and are provided support from a special education staff member during a portion of their day based on their needs as identified on each students Individual Education Plan. (IEP). Millview has one full-time resource specialist teacher, and one

2023-24 School Description and Mission Statement

paraprofessional aides on staff to support our students with special needs

Leadership opportunities are offered to Millview students in grades 3rd - 6th. Students participate as “Eagle Leaders,” assisting with school activities, recycling projects, library, and technology support, reading buddies, and as school ambassadors. Our student leaders also provide input and valuable feedback regarding school programs, activities, and initiatives.

The entire Millview staff continue to invest and focus on beneficial practices, procedures, and strategies that enhance student learning. Listed below are areas of focus:

- Student Goal Setting
- Cycle of Inquiry for performance tasks, and common formative assessments
- English learner principles and Accelerated ELD Achievement strategies through designated and integrated instruction practices
- Utilizing Lexia Reading and MAP Accelerator data
- Utilizing data from NWEA, SRI, CAASPP, and ESGI assessments
- ELPAC and CAASPP assessment preparation, administration, and scoring review
- Guided Reading & Balanced Literacy components and strategies
- Response to Intervention – academic and behavior
- Data review during PLC's to create instructional adjustments
- Best practices for the effective first instruction
- Positive Behavior Intervention and Supports program (PBIS)
- Number talks and math journals
- Student health & welfare

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Madera Unified held a public hearing on September 24, 2019, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, and science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and instructional materials are adopted according to a cycle developed by the California Department of Education, making the textbooks/instructional materials used in the school the most current available. Textbooks and instructional materials approved for use by the state are reviewed by a selection committee of teachers and administrators and a recommendation is made to the School Board for their approved use at the local level. All recommended materials are available for parent examination at the district office prior to adoption.

School Facility Conditions and Planned Improvements

Millview was built in 1956 and renovated in 2013. The school is in good condition, receiving positive ratings on the Williams Settlement legislation monitoring each of the past five years. The school looks clean and inviting. The school was repainted in the summer of 2015, including fresh trim and logo, and new carpeting was installed in all classrooms. Also during this time, the cafeteria kitchen was remodeled, and the office flooring and furniture were replaced. In November 2015 the cafeteria floor was replaced. Millview has a well-stocked and inviting library maintained by a full-time librarian. All Millview students have access to a Chromebook to use for learning and assignments.

A large grass lawn/field in the recess area allows the school to use up to three soccer fields concurrently. Millview has 49 individual classrooms, six of which are utilized by the Madera County Office of Education. The majority of classrooms are modular but have been permanently installed. Millview's full parcel of land is seated on 10.9 acres, with 51,190 square feet of constructed space. Millview allows visitors to enter only through the central office to sign in and acquire a visitor's badge. In addition to monitored alarm systems for use during unoccupied hours, the perimeter gates are locked at all times, except for the beginning and end of the school day.

Recently, during the summer of 2023, Millview was completely repainted, including new trim paint, as well as the Millview logo was touched up. During the fall of 2023, the Millview cafeteria, the main office, and kindergarten classrooms received new window blinds. The staff lounge also received new furniture.

During the summer of 2022, Millview received a completely new intermediate playground asphalt/blacktop, resurfacing, and painting. Millview also received a new resurfacing and painting of our primary playground. Also beginning during the summer of 2022, the Millview solar panel project was started and completed the winter of 2022. The solar panels are located on the primary playground grass/field area.

Our After School Program currently serves 170 students and provides a safe environment for students to finish homework, get additional exercise, and participate in enrichment activities until their parents are available. Many students ride a district-provided evening bus home from the after-school program. Millview added a new building with three restrooms (including one reserved for the handicapped).

Cleaning Process

There are three full-time custodians who maintain the school between the hours of 6 A.M. and 11 P.M. The principal works daily with the custodial staff to ensure that the cleaning of the school is maintained to provide for a clean and safe school. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards are available at the district office for review.

Maintenance and Repair

On a regular basis, classrooms, and facilities are inspected by the custodial staff and administration to identify needed classroom repairs. District maintenance staff ensures that the repairs necessary to keep the school in good repair are completed in a timely manner. A work order process is used to ensure efficient service, and the highest priority is given to emergency repairs.

The following chart displays the results of the most recent school facilities inspection information. The chart displays data collected on July 24, 2023.

Deferred Maintenance Budget

The district participates in the State School Deferred Maintenance Program, which provides matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically this includes roofing, plumbing, heating, electrical systems, interior or exterior painting, and floor systems.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Millview has an active body of parents who support the educational process and other school functions. We believe that there is ample opportunity for parents to be involved in school functions, and we provide a variety of forums for parents to participate and add their voice. Opportunities include: District Parent Advisory Committee; weekly Parent Resource Center sessions focused on Computer Literacy Skills, Parenting, and also nutrition classes; School Site Council (SSC); English Language Advisory Committee (ELAC); Family Literacy/Health and Wellness Night; and Family Math Night. The Millview Booster Club is actively supporting students and teachers through various fundraising activities to provide additional academic performance and behavioral incentives and rewards that support Millview's school wide PBIS, as well as educational field trips for students. Millview also provides parents the opportunity to participate with their student(s) in academic goal setting during our spring parent /student CAASPP goal setting nights. Millview also hosts an annual ELPAC parent informational meeting. Parents are always welcome to attend Millview's semester awards assemblies and annual EL Reclassification ceremony.

The Back to School Night at the beginning of the year and Open House in the spring are events that invite families to visit classrooms and preview or review the work being done by their child. During the 2023-2024 school year Millview hosted its second annual Posada event. Millview's parents come to school to discuss student progress with the classroom teachers during structured Parent Conference times four times a year. Spanish translation is provided at all events. The school supports parent volunteers who would like to help out in the classrooms and at various school functions. The school also benefits from several community partnerships including Madera Auto Center, Rancho San Miguel, Rotary Club, and Madera Police Department.

The focus of these activities and meetings is on building an effective school to home connection that supports attendance, behavior, relationships, and an understanding of the curriculum used in the classroom and also the testing practices used at Millview Elementary School. Millview also builds school to family connections by embracing the languages and cultures of our students and their families, by building partnerships with families through various activities.

2023-24 School Safety Plan

Safety of students and staff is of utmost importance at Millview Elementary. The school is always in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The goal of our Safe School Plan is to provide all students with educational and personal opportunities in a positive and nurturing environment, which enables them to achieve current and future goals. The School Safety Plan was revised in September 2023 and approved during the 2023-2024 school year by Millview's School Site Council and MUSD's Board of Education. The Safe School Plan reflects the needs of the school as determined by the site safety committee in conjunction with MUSD's Department of Student Services. Staff received targeted professional development on the components of the new school safety plan.

The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire and disaster drills are conducted on a monthly basis throughout the school year. Lockdown drills are held at least three times a year.

Millview Elementary School students are well supervised. The Millview daily schedule has been developed in such a manner that only one grade level will occupy a designated playground area at any given time throughout the school day, which greatly enhances student supervision and safety. Multiple teachers and/or yard duty aides are assigned to each playground supervision zone before school, during morning and lunch recesses, and for student arrival and dismissal. Site administrators and support staff supervise student drop-off and pick-up areas, bus zones, breakfast and lunch times in the cafeteria, and the playgrounds during morning and lunch recess. The Millview teachers, in conjunction with the Leadership/PBIS Committee, regularly review the rules for safe, responsible behavior in school and on the playground. Transitions of students outside of classrooms are highly structured and are supervised by administration, teachers or yard duty aides. Visitors must enter through the main door and check in at the school office.

Millview Elementary school is vested in PBIS (Positive Behavior Interventions and Supports). The PBIS system focuses on a positive approach to establish a social school culture along with the behavioral supports needed for all children in a school to

2023-24 School Safety Plan

achieve both social and academic success. Millview currently has a 9 member PBIS team meeting monthly focusing on implementation of the PBIS system to create an environment for great first teaching, high levels of learning, and improved behavior within our general education classroom settings, as well as all school settings such as - pick up and dismissal areas, cafeteria, restrooms, playgrounds, and student transition areas. Regular behavior celebrations occurring every 6 weeks are provided for the students displaying appropriate school behavior as outlined on Millview's S.O.A.R. matrix. Students are encouraged to have SELF CONTROL, stay ON-TASK, be ACCOUNTABLE, and be RESPECTFUL. Students displaying proper behavior, following school rules, or showing kindness to other students are awarded "Little Eagles" by all staff members. Little eagles are traded for prizes or items monthly at Millview's Eagle's Nest Student Store.

Professional Development

Our school is committed to improving the performance of all students through a comprehensive professional development plan focused around our school-wide goals. Staff development days are designed to support staff to refine existing skills, learn new instructional strategies and gain knowledge needed for effective implementation of the curriculum, instruction and assessment. The Professional Learning Community process is highly valued and teachers have weekly opportunities to collaborate with their colleagues focusing on unit planning, data analysis, response to intervention academic and behavior strategies, student engagement, and English Language Development.

The district continues to offer a variety of professional development opportunities for staff on diverse topics. Professional Development is available through district workshops, conference attendance, and online learning. Teachers receive support from in-class coaching as well as feedback from administrators. New teachers have an assigned mentor that they work alongside with that provides coaching support and feedback.

This table displays the number of school days dedicated to staff development and continuous improvement.
