**INSURANCE STATEMENT:** Under state law, school districts are required to ensure that all members of school athletic teams have accidental injury insurance that covers medical and hospital expenses. Students must have insurance before they are allowed to practice and participate in athletic programs. This insurance requirement can be met by the school district offering insurance or other health benefits that cover medical and hospital expenses.

Some pupils may qualify to enroll in no-cost local, state, or federally sponsored health insurance programs. Information about these programs may be obtained by calling Healthy Families at 1-800-880-5305.

California school law (Education Code 32220-24) requires every member of an athletic team to have bodily injury insurance providing at least \$1500 of scheduled medical and hospital benefits. The Madera Unified School District makes available upon request insurance through a private insurance company for all students which will meet the education code insurance requirements.
